

Table tennis evenings are held alternate Wednesday evenings in the Church hall. First started 23rd February 2022, at instigation of Michael Wood, having noticed a table tennis table residing in Marcells barn, recovered and tided up for use. Average attendance has been around 8 players +/-.

With the aid of the sports fund we purchased another table tennis table, enabled us to have more play time with two tables.

However recently four regulars have moved away, and with other players commitments the attendance has dropped off over the winter.

All levels of ability are welcome, we just play for enjoyment with just a tiny bit of competitiveness

We meet up and play every other Wednesday evening, see Village diary for next evening or contact Gerd 01566 776917 or e-mail g.willetts@talk21.com, to check next meeting date. Thanking all who have supported the table tennis venture.
